Historical Notes

The Charta determines the structure of the GSA; it was formulated in January 2003 by Franziska Deutsch, Günter Rottenfuß, Johannes Rückert and Philippa Söldenwagner. When the graduate student community passed it by referendum, the GSA was officially founded.

In 2007, the Charta was revised by Yuliya Salauyova, Marcella Orwick, Franziska Deutsch, and Jenny Paturyan. ([Archive of the discussions](#))
