

Excess Budget

As it was mentioned in the General Assembly with the President on 11.11.09 we have around 15000 EUR excess budget which was accumulated on our account from the past couple of years.

There is no reason why that excess money should stay in the bank, and thus we want to spend them in the best way possible!

We want to use them on projects and ideas that will benefit the Graduate community not only this year, but also in future!
