    - 7. Multinet, Water and Plankton Sampling
    - 8. Sediment Sampling
    - 9. CTD & SVP
    - 10. General Discussion, Synthesis and Conclusions
    - 11. Future work
    - References
  - Integration of the 2012 report (MS Word)

## 2012 Cruise report

The report is going to be on this wiki. Each section/chapter will have a separate page. Images, text and references will have to be included on each chapter. It will be possible to extract and process the material in word processing packages such as MS Word.

Please refer to the 2011 and 2010 reports (**working** links to be added!)

## Cruise report 2012 structure

(1 Teamwork page per chapter/section)

Each section (apart from Objectives-Narrative and other obvious exceptions) should have a structure roughly similar to:

- \* **X.1 Theoretical background**
- \* **X.2 Data & Methods**
- \* **X.2 Results**
- \* **X.3 Discussion**
- \* **X.4 Conclusions**
- \* **X.5 References / Bibliography (to be later merged in higher-level section)**

### 1. Objectives

[Objectives Page](#)

TASK ON GROUP: <names>

The group should also provide a BOX (text + images/plots/maps) for the 2012 Cruise Poster

### 2. Cruise Narrative

[Cruise Narrative Page](#)

TASK ON GROUP: <names>

### 3. Navigation

[Navigation Page](#)

TASK ON GROUP: <names>

The group should also provide a BOX (text + images/plots/maps) for the 2012 Cruise Poster

### 4. Multibeam

[Multibeam Page](#)

TASK ON GROUP: <names>

The group should also provide a BOX (text + images/plots/maps) for the 2012 Cruise Poster

## 5. Marine Magnetism

[Marine Magnetism Page](#)

TASK ON GROUP: <names>

The group should also provide a BOX (text + images/plots/maps) for the 2012 Cruise Poster

## 6. Parametric Echosounder

[Parametric Echosounder Page](#)

TASK ON GROUP: <names>

The group should also provide a BOX (text + images/plots/maps) for the 2012 Cruise Poster

## 7. Multinet, Water and Plankton Sampling

[Multinet, Water and Plankton Sampling Page](#)

TASK ON GROUP: <Luise Heinrich, Sophie Paul, Katharina Schier>

The group should also provide a BOX (text + images/plots/maps) for the 2012 Cruise Poster

## 8. Sediment Sampling

[Sediment Sampling Page](#)

TASK ON GROUP: <Kerst Mattner, Katharina Wortberg, Phillip Hennessy>

The group should also provide a BOX (text + images/plots/maps) for the 2012 Cruise Poster

## 9. CTD & SVP

[CTD & SVP Page](#)

TASK ON GROUP: <names>

The group should also provide a BOX (text + images/plots/maps) for the 2012 Cruise Poster

## 10. General Discussion, Synthesis and Conclusions

[General Discussion, Synthesis and Conclusions Page](#)

TASK ON GROUP: <names>

## 11. Future work

[Future work Page](#)

TASK ON GROUP: <names>

## References

[References Page](#)

This section will consist of the merged references from all previous sections. The reference style will be agreed (TBD)

TASK ON GROUP: <names>

References cited will be pasted on the [reference](#) page **AND** maintained on a Mendeley shared group (created by [Rossi, Angelo Pio](#))

<http://www.mendeley.com/groups/2033423/heincke2012/>

Every participant can ask to join this group of shared references. Please **DO NOT** upload copyright-protected fulltext PDFs. Only citations.

Integration of the 2012 report (MS Word)
