

# Internship programs in the Life Sciences

This list is not comprehensive but covers some of the programs that people have applied to. It does not cover individual laboratories. Don't forget - the advantage of internship programs is that they usually pay you!

## Europe

- The [Amgen Scholars Program](#) (currently: [Karolinska Institute in Stockholm](#); Cambridge University; Ludwig Maximilians University Munich; and some American universities)
- ISREC (Swiss Institute for Experimental Cancer Research) Summer Internship program
- Max Planck Institute for Immunology Summer Internship Program, Freiburg, Germany
- Ecole Polytechnique Fédérale de Lausanne (EPFL) Summer Research Program in Life Sciences and Technology
- Université de Lausanne (UNIL) School of Biology [Summer Undergraduate Research \(SUR\)](#) program
- The International Biology Undergraduate Summer School at Zurich University (Universität Zürich), Switzerland
- National University of Ireland, Galway: <http://www.nuigalway.ie/urekamolrec/> (currently not running, but re-check)
- John Innes Centre, Norwich, UK: <http://opportunities.jic.ac.uk/summerprogramme/index.htm>
- Vienna Biocenter Summer School: <http://www.vbcsummerschool.at/home/index.html>
