## Picture database

Jacobs University already owns several thousand images of the campus, people, events, etc. Many of them have already been archived. You can find a selected amount of pictures here: **J:\Collab\Projects\Pictures**

If you need access to this folder or if you have any questions concerning pictures and images, please contact us.

## Stock photos

If you are searching for specific pictures that cannot be found in the Jacobs University picture database, please have a look at the online stock photo database <https://www.shutterstock.com/>  
Just send us the link of the picture you want to order and we can download it for you.

## Booking a photographer

If you need a photographer for an event, we will help you find one.

## General copyright rules and conditions for photographers and film teams on Campus

In case you work with filmteams or photographers on campus please make sure to let them sign the attached form. These rules were approved by the university leadership and were checked by our legal councilors. The signed form is important for protecting Jacobs Universities brand identity and private property.

You can find the document here: <https://teamwork.jacobs-university.de:8443/confluence/pages/viewpageattachments.action?pagelD=5273>

## Renting a digital camera

The IRC owns very multimedia equipment, such as cameras and comcorders  
If you want to rent the camera, please contact the [IRC Multimedia Center](#).

## Consent form

If you want to shoot a video or take pictures for publications e.g. in marketing material, social media, press releases or on the website, please make sure every photographed person signs the [consent form](#). Please hand out two copies to the respective persons – one to be kept and one to be given back signed. Please pass the signed copy on to MarCom RLH201.
