Personalized Information Presentation

You can only access information within Confluence, including Dashboard and Search Results, you have access to. If you are missing information, check that you are logged in!

★ Elements of Dashboard:

The screenshot shows the Confluence Dashboard interface with several callouts pointing to specific features:

- Welcome Message:** A callout pointing to the top navigation bar area.
- User Options:** A callout pointing to the user profile menu (History, Preferences, Administration, Log Out).
- Searching:** A callout pointing to the search bar.
- Space Lists: Favourites, New, All Visible:** A callout pointing to the 'Spaces' section with tabs for 'My', 'New (1)', and 'All'.
- Recent Updates:** A callout pointing to the 'Recently Updated' section, which lists various documents and their update times.
- Space Create Button:** A callout pointing to the 'Create a space' button.
- Feed Builder Button:** A callout pointing to the 'Feed Builder' button.
- Favourite Pages:** A callout pointing to the 'Favourite Pages' section, which lists pages like 'Meetings, Agendas and Protocols' and 'Standard Reports'.
