## About

Welcome to the teamwork space of the math society! We mainly use a mailing list to send announcements and coordinate events. To join the math society, simply subscribe to the [mailing list](#) (math-society AT lists DOT jacobs-university DOT de). There are dedicated pages for [list of talks, workshops, and other events](#) and for the active [seminars](#) organized by the math society. We often collaborate / compete with the [physics society](#), check them out as well!
