

How to login to teamwork

Some content within this teamwork system is protected. ⓘ You need to login to this system first to access that information.

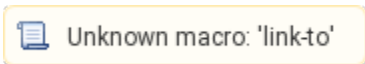

To login, you need your **CampusNet login and password**. The CampusNet login is sometimes also called CampusNet account or University Information System (UIS) login. It is the same as "the LDAP account" which is the same as "the VPN account".

- To **know your CampusNet login**, [look here](#).
- To **set a new password** from on-campus, [look here](#).
- For other CampusNet-related **how-tos**, [look here](#).

The license could not be verified: License Certificate has expired!
